Class Sizes

To be able to thoroughly teach some merit badges, it is necessary to limit the size of some classes. Please note these limits when utilizing BadgeTracker and have your Scouts plan accordingly.

The Program Director reserves the right to limit the class size of any badge at any time in order to maintain quality control. Scouts are advised to have alternative selections in mind should their first choice(s) be denied.

Partials

If a Scout has started a merit badge at camp and does not finish it, you will receive a partially completed blue card for the Scout in your mailbox.

Existing partial merit badges can be completed during the Scout's time in camp, providing that the original issuing counselor is registered within your council. The camp staff reserves the right to re-check a Scout on any requirement already completed with another counselor. Scouts with existing partials should complete the merit badge "by appointment" with members of the camp staff, but must make the appropriate arrangements by Monday afternoon.

Order of the Arrow

Each Scout troop can honor worthy members of their unit by electing them into the Order of the Arrow. Membership in the Order is composed of those Scouts who are outstanding campers and who best exemplify the Scout Oath and Law in their daily lives. When a Scout is chosen, it is a clear sign that his fellow campers hold him in the highest regard. Arrowmen are reminded that you were inducted "not so much for what you have done, but for what you are expected to do."

An official Lodge Election Team must conduct unit elections before May 15th. After May 15th, all elections are final. There are no exceptions to this policy. Unofficial elections will not be recognized.

Much as Pipestone is our camp honors program, Order of the Arrow is a nationally sanctioned honor society. We ask the same reverence and respectful attitude be shown by all in camp on Wednesday night during the OA ceremony as is shown on Friday night during the camp honor program. It is asked that units begin to quiet their activities at 8:00 PM. Taps will not be played on Wednesday due to the OA ceremony.

Immediately following the camp vespers service, those units wishing to observe the ceremony will be escorted from the chapel to the Bridgebuilder's Amphitheater.

Also during camp, Order of the Arrow members may earn the Brotherhood Honor. This honor is the next level in the OA that signifies your commitment to the Order and Scouting. Members wishing to receive Brotherhood membership must:
