## 2011– The 101st Scouting Year

It is hard to believe another year has begun. Troop 201 has many exciting adventures planned for the upcoming program year. Our next two events will take advantage of the snow and cold and we conduct our annual “Polar Bear” at Camp Stigwandish. February finds the troop at Camp Merz, NY and snow tubing at Peak-n-Peek resort. March is when we welcome our new members from Cub Scout Packs 252 and 102. We look forward to a great start to the new year.

### Yard Charge

On November 13, 2010 members of Troop 201 and Pack 102 converged on over 30 homes in Olmsted Falls and Township to rake leaves for the annual yard charge service project. The yards belonged to senior citizens from St Mary’s, Olmsted Community Church and the Olmsted Community Center. Thanks to all who participated in this wonderful community service event

## High Adventure 2011-2102

---

A group of 24 Scouts and Scouters will descend on Philmont Scout Ranch from July 13-26, 2011. We are looking forward to backpacking through the mountains of Northern New Mexico. In 2012, the Patrol Leader's Council has decided to attend the Florida Sea Base. Scouts must be 14 years old by September 1, 2012 to attend the Seabase. More details to come in the future

---

## Summer Camp

---

Hard to believe that summer camp will be upon us before long. Scouts should start to think about what badges they are going to take and what pre-requisites must be fulfilled. We will have a parents meeting in March to discuss summer camp in more detail. Summer camp dates are June 26-July 2, 2011. Cost this year is \$220 Early Bird rate, and \$260 for the normal rate. To get the Early Bird rate, you must have a \$100 deposit to us by the Feb. 8th meeting.

---

## Scout Sunday

---

On February 13th, the Troop will celebrate Scout Sunday. The service will be Non-denominational and will commence at 10:30 am at the Community Church. The Scouts will participate in certain aspects of the Service. Please plan on attending.

---

## Flag Retirement Officer

---

Thanks to Greg Paton, a new American Flag drop box has been installed at the Olmsted Falls City Hall. The creation and installation was Greg's Eagle Scout project. A new youth leadership position has been created within the Troop to service the box and properly dispose of the flags. Please see Garrett Yoder if you are interested.

# TROOP CALENDAR Jan-March

---
